A new API key has been created. #account: #audit

API key created by zm99by@gmail.com in org ZNM

Wed Sep 16 2020 23:42:42 GMT+0300 (+03) - [Add comment](#)

[Monitor Created] agent #audit: #host:vsahonchik-vm1.us-central1-c.c.vladimir-project-01.internal #instance-id:6933036374313390183 #monitor: #monitor_id:270633

The monitor:

- is named: agent.
- triggers when `datadog.agent.running` over `host:vsahonchik-vm1.us-central1-c.c.vladimir-project-01.internal` is `< 1.0` on average during the last 5m.
- does not notify on missing data.
- does not automatically resolve.
- includes the message: "agent not running zm99by@gmail.com"
- does not notify.
- does not notify recipients when the definition is modified.
- requires a full window of data - includes triggering tags in notification title.
- does not evaluate with a delay.
